

STUDENT PERSONA TEMPLATE (CLASS 6–9)

Understand our learners before we build for them.

STUDENT SNAPSHOT

Name (Pseudonym) : Bhargav
Class / Grade : 9th
Age : 14
School Type : Private
Location (City/Area) : Konaseema
Language Comfort : Telugu and English
Devices Used : Mobile Phone

“ A DAY IN MY LIFE

I wake up at 6:30 AM.
I freshen up and have breakfast.
School starts at 9:00 AM.
Classes till 3:30 PM.
I come back home at 4:00 PM.
I have some rest and snacks.
Evening 5:00–6:00 PM I play or go out.
6:00–8:00 PM I study.
I help at home sometimes.
Dinner at 8:30 PM.
I watch a movie or spend time on my phone.
I sleep by 10:30 PM.

1. ABOUT ME

I am Bhargav, a Class 9 student.
This is a life to learn and grow.
I am a somewhat timid boy who loves to learn new things, and I am a little emotional.
I am friendly and try to do my level best in everything I do.

3. GOALS & DREAMS

- Score good marks in exams.
- Make my parents proud.
- Travel to as many places as possible.
- Watch more and more movies.
- Improve informal problem-solving skills.
- Get clear explanations with real-world examples.
- I prefer practical experiences rather than textbook or classroom teaching.
- Play cricket (my parents' no comment for now 😊).

5. NEEDS & EXPECTATIONS

- Clear and simple explanations with real-life examples.
- Practical learning experiences.
- Guidance when I am confused or in low moods.
- Help in planning studies and staying consistent.
- Helping at home.

7. TECHNOLOGY COMFORT

I am quite confident using technology and learn things on my own. Sometimes I ask suggestions from my sister because she is studying right now, so she can give me better insights.

Beginner

Average

Confident

Expert

2. LEARNING CONTEXT

My parents are very interactive. My father checks my books and assignments. It is quite tough, but it helps me stay on track.
I study in a school with excellent faculty.
My favourite subjects are Maths, Science and English.
Dislikes: Social Science (quite boring) and Hindi.

4. CHALLENGES & PAIN POINTS

- I get distracted by mobile very fast.
- I want to build a better life, but consistency is what I need to develop.
- I feel bored in classes sometimes.
- Not with backbencher friends, but sudden insights.
- Taking steps toward a brighter future.

6. MOTIVATIONS

- I have motivation always.
- I want to take steps toward a brighter future.
- I want to learn more and explore many possibilities.
- I refer to internet resources for subjects and insights.
- I want to make my parents proud and live a better life.

8. QUOTES & INSIGHTS

Quotes:

1. “According to subjects, I can refer any internet aspects.”
2. “There are many possibilities, but coming to guidance, I am confused and it's quite challenging.”

Insight (from Mother):

“Bhargav is a good student and a respectful student, but he is somewhat lazy to wake up in the early morning.”

ADDITIONAL NOTES

Bhargav is emotional, friendly and tries his best in everything he does.
With the right guidance and consistency support, he can achieve great things.

STUDENT PERSONA TEMPLATE (CLASS 6–9)

• Understand our learners before we build for them. •

STUDENT SNAPSHOT

Name (Pseudonym) : Ravi Kumar
Class / Grade : 8th Class
Age : 13 Years
School Type : Government School
Location (City/Area) : Mangalagiri Rural Area
Language Comfort : Telugu, Basic English
Devices Used : Shared Smartphone
(Mobile / Laptop / Tablet / Others)

“ A DAY IN MY LIFE

- Wake up and get ready for school.
- Attend classes and complete schoolwork.
- Play cricket with friends in the evening.
- Use a family smartphone for learning or entertainment.
- Finish homework and prepare for the next day.

1. ABOUT ME

Tell us about the student in a few lines.
(Interests, hobbies, favorites, what they enjoy doing)

- I enjoy playing cricket and spending time with friends.
- I like watching educational and entertainment videos on YouTube.
- Science and practical activities interest me the most.
- I want to learn new things using technology.

3. GOALS & DREAMS

What does the student want to achieve?
(Short-term goals, long-term dreams)

- Score good marks in school examinations.
- Improve English and computer skills.
- Become an engineer or software professional in the future.

5. NEEDS & EXPECTATIONS

What does the student need from a learning tool or solution?
(Features, support, type of content they prefer)

- Learning content in simple Telugu and English.
- Interactive videos, animations, and practical examples.
- Easy access on low-end mobile phones.
- Personalized guidance and doubt-clearing support.

2. LEARNING CONTEXT

How does the student usually learn?
(Subjects they like / dislike, study habits, support at home)

- Learns mainly through school teachers and textbooks.
- Uses a shared mobile phone for online learning.
- Likes Science but finds English difficult.
- Gets limited study support at home due to parents' work schedules.

4. CHALLENGES & PAIN POINTS

What makes learning difficult for this student?
(Concepts they find hard, struggles, frustrations)

- Internet connection is often slow or unavailable.
- Does not have a personal device for learning.
- Online videos are sometimes difficult to understand.
- Gets distracted by games and social media.

6. MOTIVATIONS

What motivates this student to learn?
(Rewards, encouragement, interests)

- Encouragement from teachers and parents.
- Rewards, achievements, and certificates.
- Interest in technology and future career opportunities.
- Learning through fun activities and games.

8. QUOTES & INSIGHTS

Any memorable quotes or important insights from
conversations or observations.

- “I want to learn online, but sometimes the internet doesn't work.”
- “Videos help me understand better than reading long text.”
- “If lessons were more interactive, I would enjoy studying more.”

7. TECHNOLOGY COMFORT

How comfortable is the student with technology?
(Scale: Beginner / Average / Confident / Expert)

Beginner

Average

Confident

Expert

- Can use smartphones independently.
- Knows basic internet browsing and YouTube usage.
- Needs help with advanced digital tools.

ADDITIONAL NOTES

Limited access to personal digital devices. Learns best through visual and interactive content.
Needs affordable and accessible digital learning solutions. Represents many students facing the digital divide in rural and semi-urban areas.

STUDENT PERSONA TEMPLATE (CLASS 6-9)

Understand our learners before we build for them.

STUDENT SNAPSHOT

Name (Pseudonym) : Zaheer basha Shaik

Class / Grade : 9th Class

Age : 14 Years

School Type : Private School

Location (City/Area) : Nellore

Language Comfort : English, Telugu

Devices Used : Mobile, Laptop

(Mobile / Laptop / Tablet / Others)

A DAY IN MY LIFE

- Attend school and focus on studies.
- Complete homework and revision.
- Enjoy peaceful rides or listening to music.
- Play games to relax in the evening.
- Sleep early and plan for the next day.

1. ABOUT ME

I am a curious and calm student.

I love discovering new things and solving puzzles like a detective.

I am passionate about cars and love learning about them.

Music helps me relax and stay focused.

My favorite subjects are Social Studies, especially History and Current Affairs.

2. LEARNING CONTEXT

I usually learn best when concepts are explained in a simple and easy way.

I study mainly at home after school.

I prefer YouTube, online resources and class notes to understand topics better.

Subjects I like: History, Geography, Current Affairs

Subjects I find difficult: Math, Science (Physics)

3. GOALS & DREAMS

- Short-term goal: Score good marks in 10th board exams and make my family proud.
- Long-term dream: Get the best job in software field and build a successful career.
- I want to become financially independent and travel the world.

5. NEEDS & EXPECTATIONS

- Free high-quality video lectures and study materials.
- Easy explanations with real-life examples.
- Practice questions, mock tests and doubt support.
- Study planner and reminders to stay on track.

4. CHALLENGES & PAIN POINTS

- Subjects like Math and Physics are difficult to understand.
- Sometimes I can't catch the complex concepts in class.
- Quality study material and courses often need subscription or fees.
- Time management and distractions while studying.

6. MOTIVATIONS

- My family's support motivates me the most.
- I want to make my parents proud.
- Dreaming about a successful career keeps me going.
- I get inspired by people who never give up.

7. TECHNOLOGY COMFORT

How comfortable is the student with technology?
(Scale: Beginner / Average / Confident / Expert)

Beginner

Average

Confident

Expert

8. QUOTES & INSIGHTS

- "Consistency today, success tomorrow."
- "Discipline is the bridge between goals and achievement."
- "Learn, improve and never stop dreaming."

ADDITIONAL NOTES

Hardworking, focused and determined to achieve big in life.

STUDENT PERSONA TEMPLATE (CLASS 6–9)

Understand our learners before we build for them.

STUDENT SNAPSHOT

Name (Pseudonym) : Arjun Sharma
Class / Grade : 8
Age : 13
School Type : CBSE Public School
Location (City/Area) : Vijayawada, Andhra Pradesh
Language Comfort : English, Hindi, Telugu
Devices Used : Smartphone, Laptop
(Mobile / Laptop / Tablet / Others)

A DAY IN MY LIFE

I wake up at 6:30 AM, get ready for school by 7:30 AM. School from 8 AM to 2 PM. Homework in the evening, play cricket or video games for an hour, and sleep by 10:30 PM.

1. ABOUT ME

Tell us about the student in a few lines.
(Interests, hobbies, favorites, what they enjoy doing)

I love playing cricket, coding small games, and watching science videos. I enjoy solving puzzles and listening to music.

3. GOALS & DREAMS

What does the student want to achieve?
(Short-term goals, long-term dreams)

- Score 90%+ in my exams
- Learn app development
- Become a software engineer

5. NEEDS & EXPECTATIONS

What does the student need from a learning tool or solution?
(Features, support, type of content they prefer)

- Short videos and examples
- Practice questions with hints
- Track my progress and give feedback

2. LEARNING CONTEXT

How does the student usually learn?
(Subjects they like / dislike, study habits, support at home)

I learn best by watching videos and doing hands-on activities. I like Maths and Science. I find Social Studies a bit boring. I study after school with help from my sister.

4. CHALLENGES & PAIN POINTS

What makes learning difficult for this student?
(Concepts they find hard, struggles, frustrations)

- I get distracted by my phone while studying
- I find Maths word problems confusing
- Too much homework sometimes feels stressful

6. MOTIVATIONS

What motivates this student to learn?
(Rewards, encouragement, interests)

- Rewards and badges
- Appreciation from teachers and parents
- Seeing my progress and improving

8. QUOTES & INSIGHTS

Any memorable quotes or important insights from conversations or observations.

"I like learning when it's fun and makes sense."

ADDITIONAL NOTES

Arjun is curious and creative. He needs engaging content and regular encouragement.

STUDENT PERSONA TEMPLATE (CLASS 6–9)

Understand our learners before we build for them.

STUDENT SNAPSHOT

Name (Pseudonym) : Kiran Reddy
Class / Grade : 8th Class
Age : 13 years
School Type : ZP High School
Location (City/Area) : Mylavaram (Rural)
NTR District, Andhra Pradesh
Language Comfort : Telugu (First Language),
English (Basic)
Devices Used : Father's Smartphone
(Mobile)
(Mobile / Laptop / Tablet / Others)

A DAY IN MY LIFE

I wake up at 5:30 am. I help at home and in the field. I go to school by bicycle. School is from 9:00 am to 4:00 pm. In the evening, I play kabaddi with friends. I study at night from 7:00 pm to 9:30 pm and sleep by 10:00 pm.

1. ABOUT ME

Tell us about the student in a few lines.
(Interests, hobbies, favorites, what they enjoy doing)

I live in a small village near Mylavaram,
Andhra Pradesh. I live with my parents,
younger brother and grandmother.
I like playing kabaddi and cricket.
My favourite subject is Science.

3. GOALS & DREAMS

What does the student want to achieve?
(Short-term goals, long-term dreams)

- I want to score good marks in 10th class.
- I want to become a Police Officer.
- I want to help my family and build a good life.

5. NEEDS & EXPECTATIONS

What does the student need from a learning tool or solution?
(Features, support, type of content they prefer)

- Lessons in Telugu with simple examples.
- Videos and pictures to understand better.
- Practice questions with answers.
- Can use offline, because internet is not always available.

7. TECHNOLOGY COMFORT

How comfortable is the student with technology?
(Scale: Beginner / Average / Confident / Expert)

Beginner

Average

Confident

Expert

2. LEARNING CONTEXT

How does the student usually learn?
(Subjects they like / dislike, study habits, support at home)

I learn better when teachers explain in Telugu.
I like Science and Social Studies.
Maths is a little difficult for me.
I study in the evening after completing homework.
My mother supports me by checking my homework.

4. CHALLENGES & PAIN POINTS

What makes learning difficult for this student?
(Concepts they find hard, struggles, frustrations)

- Sometimes there is no electricity at home.
- Mobile data is costly, I can't watch videos always.
- Too much work at home during weekends.
- I find it hard to understand big English words.

6. MOTIVATIONS

What motivates this student to learn?
(Rewards, encouragement, interests)

- When teachers appreciate my work.
- When I understand a topic well.
- When I get good marks.
- I feel happy when my parents are proud.

8. QUOTES & INSIGHTS

Any memorable quotes or important insights from
conversations or observations.

"If I get the right guidance and resources,
I can achieve my dreams."

ADDITIONAL NOTES

Kiran is a sincere and hardworking student. He is respectful, honest and has leadership qualities. With proper guidance and support, he can do very well.

STUDENT PERSONA TEMPLATE (CLASS 6–9)

Understand our learners before we build for them.

STUDENT SNAPSHOT

Name (Pseudonym) : Aarav Sharma
Class / Grade : 8th Grade
Age : 13 Years
School Type : CBSE School
Location (City/Area) : Hyderabad, Telangana

Beginner

Average

Confident

Expert

2. LEARNING CONTEXT

How does the student usually learn?
(Subjects they like / dislike, study habits, support at home)

- Likes Science and Mathematics.
- Learns better through videos, animations, and practical examples.
- Studies regularly with support from family.

4. CHALLENGES & PAIN POINTS

What makes learning difficult for this student?
(Concepts they find hard, struggles, frustrations)

- Finds force, motion, and pressure concepts difficult to understand.
- Struggles with formulas and numerical problems.
- Cannot easily understand concepts through textbook explanations alone.

6. MOTIVATIONS

What motivates this student to learn?
(Rewards, encouragement, interests)

- Games, badges, and rewards.
- Real-life examples and experiments.
- Appreciation from teachers and parents.

8. QUOTES & INSIGHTS

Any memorable quotes or important insights from conversations or observations.

- "I understand Physics much better when I can see it happening."
- "If there are animations and simulations, learning becomes much easier and more interesting."

ADDITIONAL NOTES

The student learns best through visual and interactive methods. Physics concepts become easier to understand when presented through simulations, animations, and real-world examples.

STUDENT SNAPSHOT

Name (Pseudonym) : Priya
Class / Grade : 8th
Age : 13
School Type : Government
Location (City/Area) : Amalapuram
Language Comfort : Telugu and Hindi
Devices Used : Tablet (shared with family)

A DAY IN MY LIFE

I wake up at 7:00 AM.
I do morning chores and then get ready.
School starts at 9:30 AM.
Classes till 4:00 PM.
I come back home at 4:30 PM.
I come back home at 4:30 PM.
I have some snacks and then play outside.
5:30-6:30 PM I attend tuitions.
6:30-8:00 PM I study and do homework.
Dinner at 8:30 PM.
I spend time with family or draw.
I sleep by 10:00 PM.

1. ABOUT ME

I am Priya, a Class 8 student.
My passion is to explore science.
I am quite organized and competitive.
I love group activities and help my friends.
I try to make everyone happy with my work.

3. GOALS & DREAMS

- I want to become a Doctor one day.
- I aim to top my class in the final exams.
- I want to participate in a science exhibition.
- I hope to help my family financially.
- I want to build a clinic for my village.

5. NEEDS & EXPECTATIONS

- I need a quiet environment for studying.
- I want clearer explanations of difficult concepts.
- I need regular feedback to improve.
- I need advice on choosing a science stream for higher studies.

7. TECHNOLOGY COMFORT

I am confident using a computer and basic apps.
I search for science videos online on my family tablet.

Beginner

Average

Confident

Expert

2. LEARNING CONTEXT

I study in a well-regarded local school.
Teachers are helpful but very strict.
My parents are supportive but not highly educated.
I find Maths easy, but Hindi is my major challenge.
My favorite subject is Science.
Dislikes: Art and Music (boring to me).

4. CHALLENGES & PAIN POINTS

- Sometimes I am overwhelmed by the number of assignments.
- I struggle with memorizing dates in History.
- My home can be noisy for serious study.
- I fear failing in crucial tests.

6. MOTIVATIONS

- I feel proud when I score well in tests.
- The thought of helping people as a doctor motivates me.
- I want to live a better life than my current situation.
- The encouragement from my family is a big driving force.

8. QUOTES & INSIGHTS

Quotes:

1. "I need more help with complex mathematical problems."
2. "I love learning, but some subjects are harder to understand."

Insight (from Teacher):

"Priya is a dedicated and organized student, but she needs to manage time better during exams and improve her expression in language subjects."

ADDITIONAL NOTES

Priya is ambitious and hard-working. With proper resources and noise reduction, she can excel.
Her competitive nature can be both a strength and a challenge.

Devices Used : **MOBILE**
(Mobile / Laptop / Tablet / Others)

A DAY IN MY LIFE

What does a typical day look like for this student?

I GO TO SCHOOL, THEN HELP MY MOM IN THE EVENING. I DO MY HOMEWORK BY WATCHING YOUTUBE LECTURES IN MY DAD'S PHONE IF AVAILABLE.

Understand our learners before we build for them.

1. ABOUT ME

Tell us about the student in a few lines.
(Interests, hobbies, favorites, what they enjoy doing)

I LIKE PLAYING CRICKET WITH MY FRIENDS

MY FAVOURITE SUBJECTS ARE ENGLISH AND SCIENCE.

I LIKE TO DO SCIENCE EXPERIMENTS ON MY OWN!

3. GOALS & DREAMS

What does the student want to achieve?
(Short-term goals, long-term dreams)

- **WANTS TO SCORE GOOD MARKS IN ALL SUBJECTS.**
- **WANTS TO SPEAK CONFIDENTLY IN FRONT OF THE CROWD.**
- **WANTS TO BECOME AN ENGINEER IN THE FUTURE**

5. NEEDS & EXPECTATIONS

What does the student need from a learning tool or solution?
(Features, support, type of content they prefer)

- **SIMPLE EXPLANATIONS WITH BASIC PICTURES.**
- **INSTRUCTIONS AVAILABLE IN TELUGU WITH BASIC ENGLISH.**
- **IMMEDIATE FEEDBACK WHEN ANSWERING QUESTIONS.**

7. TECHNOLOGY COMFORT

How comfortable is the student with technology?
(Scale: Beginner / Average / Confident / Expert)

Beginner

Average

Confident

Expert

ADDITIONAL NOTES

ENJOYS LEARNING THROUGH CHALLENGES AND EXPLORATION. RESPONDS WELL TO VISUAL FEEDBACK AND REWARDS. CURIOUS BUT LOSES INTEREST WHEN LESSONS BECOME TOO THEORETICAL.

2. LEARNING CONTEXT

How does the student usually learn?
(Subjects they like / dislike, study habits, support at home)

LEARNS MOSTLY THROUGH CLASSROOM TEACHING.
PREFERS VISUAL LEARNING THAN TEXTBOOK. PREFERS
TELUGU EXPLANATION MIXED WITH SIMPLE ENGLISH.

4. CHALLENGES & PAIN POINTS

What makes learning difficult for this student?
(Concepts they find hard, struggles, frustrations)

- **TEXTBOOK EXPLANATION FEEL LENGTHY AND COMPLEX.**
- **DOESN'T ALWAYS GET INTERNET ACCESS AT HOME.**
- **SCIENCE TERMS AND DEFINITIONS ARE DIFFICULT TO REMEMBER AND UNDERSTAND AS WELL.**

6. MOTIVATIONS

What motivates this student to learn?
(Rewards, encouragement, interests)

- **GOOD PRAISE FROM TEACHERS.**
- **MAKING PARENTS PROUD. GETTING GOOD MARKS**
- **GOOD TUTORS WHO MOTIVATE ALL THE TIME.**

8. QUOTES & INSIGHTS

Any memorable quotes or important insights from
conversations or observations.

"I UNDERSTAND SCIENCE FASTER WHEN I CAN ACTUALLY SEE IT HAPPENING."
"IF THE LESSON HAD GAMES AND PICTURES, I WOULD REMEMBER IT FOR LONGER."
"I NEVER THOUGHT ABOUT WHERE LIGHT GOES AFTER HITTING AN OBJECT."
