

STUDENT PERSONA TEMPLATE (CLASS 6–9)

TEAM F04

Understand our learners before we build for them.

STUDENT SNAPSHOT

Name (Pseudonym)	Kavya
Class / Grade	9th Grade
Age	14 Years
School Type	Government
Location (City/Area)	Vijayawada
Language Comfort	Telugu, English
Device Used	Mobile

1. ABOUT ME

I am Kavya, a 14-year-old student from Vijayawada. I am passionate about technology and science. I enjoy exploring new ideas, discovering how things work, and learning about innovations that can help society.

- **Hobbies:** Adventure activities, finding new things, reading science facts
- **Favorite Subjects:** Science, Mathematics
- **Interests:** Discovering new technologies, scientific experiments, problem-solving

2. LEARNING CONTEXT

- Learns effectively through listening and visual explanations.
- Prefers interactive learning and 3D models.
- Uses a mobile phone for educational videos and research.
- Enjoys practical examples more than theory-only lessons.

3. GOALS & DREAMS

- **Academic Goals:**
 - Wants to score above 90% in all subjects.
 - Wants to improve English communication.
 - Participate in science exhibitions and competitions.
- **Future Ambitions:**
 - Dreams of becoming a Technology Scientist.
 - Aim to contribute to scientific discoveries and technological innovations.

4. NEEDS & EXPECTATIONS

What support does the student need?

- More practical science activities and experiments.
- Interactive learning materials and visual demonstrations.
- Support for improving spoken English.
- Access to technology-based learning resources.
- Guidance for science projects and competitions.

5. CHALLENGES & PAIN POINTS

Difficulties faced while learning:

- Sometimes finds advanced English terms difficult to understand.
- Limited access to advanced technology resources.
- Theory-based lessons can become less engaging.
- Needs more opportunities to practice communication skills.

6. MOTIVATIONS

What encourages the student?

- Learning new scientific concepts.
- Recognition from teachers and parents.
- Solving problems and completing challenges.
- Participating in science fairs and competitions.
- Achieving academic excellence and personal growth.

A DAY IN MY LIFE

- Wakes up early and freshens up.
- Attends school and pays attention in class.
- Studies in the evening and completes homework.
- Watches educational videos on mobile.
- Reads science facts and enjoys discovering new things.
- Sleeps by 10:30 PM.

7. TECHNOLOGY COMFORT

How comfortable is the student with technology?
(Scale: Beginner / Average / Confident / Expert)

CONFIDENT

- ✓ Comfortable using smartphones and educational apps.
- ✓ Can search for information online independently.
- ✓ Interested in learning new digital tools and technologies.

8. QUOTES & INSIGHTS

Typical statements the student might say:

- “I want to use technology to improve people's lives.”
- “Science helps us understand the world around us.”
- “Every new discovery is an opportunity to learn something exciting.”
- “One day, I want to become a scientist and create innovative solutions.”

ADDITIONAL NOTES

- Curious and enthusiastic learner
- Enjoys exploring real-world applications of science and technology
- Shows leadership qualities during group activities
- Highly motivated to learn and improve communication skills

STUDENT PERSONA TEMPLATE (CLASS 6-9)

Understand our learners before we build for them. .

STUDENT SNAPSHOT

Name (Pseudonym) : Shivank
Class / Grade : 8
Age : 13
School Type : KVS
Location (City/Area) : Kolkata, WB
Language Comfort : English, Hindi, Bengali
Devices Used : Android Mobile, Laptop
(Mobile / Laptop / Tablet / Others)

“ A DAY IN MY LIFE

School till 3 PM. Home, quick snack (maybe kathi roll). Football practice with my awesome team 4-6 PM. Home, wash up, homework 7-9 PM. Dinner (Bengali food if possible!), then bed by 10 PM.

1. ABOUT ME

My name is Shivank. I love playing football, and I'm part of an amazing team. We practice every weekend.
For food, Bengali cuisine is my absolute favorite - especially Fish Curry and Mishti Doi.

2. LEARNING CONTEXT

Prefer hands-on, interactive learning. Likes Math & Science, finds History dry. Tends to procrastinate, but studies hard before exams.
Parents are supportive.

3. GOALS & DREAMS

What does the student want to achieve?

- To play for my state's junior football team.
- To top my class in the next semester.
- To become an engineer or a software developer.

4. CHALLENGES & PAIN POINTS

What makes learning difficult for this student?

- Struggles with memorizing dates in History.
- Gets distracted easily when working on laptops.
- Time management between practice and studies.

5. NEEDS & EXPECTATIONS

What does the student need from a learning tool or solution? (Features, support, type of content they prefer) with rewards.

- Clearer explanations for abstract concepts (Physics).
- Small group study sessions or study buddies.

6. MOTIVATIONS

What motivates this student to learn? (Rewards, encouragement, interests) football match.

- Praise from teachers and parents.
- Achieving high marks in competition.

7. TECHNOLOGY COMFORT

How comfortable is the student with technology? (Scale: Beginner / Average / Confident / Expert)

Beginner

Average

Confident

Expert

8. QUOTES & INSIGHTS

"A goal in sports is like a goal in life - you need teamwork to score." - Shivank

Teacher Note: Shows natural leadership on the field and in group projects.

ADDITIONAL NOTES Potential for student-athlete mentorship. Explore gamified tools with leaderboards.

STUDENT SNAPSHOT

Name (Pseudonym) : Arshaan
Class / Grade : 8
Age : 13
School Type : DPS
Location (City/Area) : Visakhapatnam (Vizag),
Andhra Pradesh
Language Comfort : English, Telugu, Hindi
Devices Used : Android Mobile, Laptop

(Mobile / Laptop / Tablet / Others)

“ A DAY IN MY LIFE

School till afternoon. Spend time with friends and family. Complete assignments and learn something new online. Enjoy snacks, ice cream, and chocolates whenever possible. Relax, explore my interests, and prepare for the next day.

1. ABOUT ME

I'm quiet and reserved when meeting new people, but once I get comfortable, I'm energetic, friendly, and fun to be around. I enjoy learning new things, helping others, and exploring different ideas. I'm determined to achieve my goals and rarely give up once I set my mind on something.

2. LEARNING CONTEXT

Prefer hands-on and interactive learning. Learns quickly through practical examples and visual content. Enjoys Science and Technology topics. Studies best in a peaceful environment with minimal distractions. Family is supportive and encouraging.

3. GOALS & DREAMS

- Learn something new every day.
- Become a successful software engineer.
- Travel and explore different places.
- Achieve personal goals through hard work and determination.

4. CHALLENGES & PAIN POINTS

- Gets irritated when kept waiting.
- Can become frustrated by unclear instructions.
- Sometimes overthinks small situations.
- Finds it difficult to stay focused when hungry.

5. NEEDS & EXPECTATIONS

- Clear and structured explanations.
- Interactive learning activities and projects.
- Opportunities to explore new skills.
- Supportive guidance and encouragement.

6. MOTIVATIONS

- Learning and self-improvement.
- Appreciation from teachers and family.
- Achieving goals and overcoming challenges.
- Exploring new experiences and ideas.

7. TECHNOLOGY COMFORT

How comfortable is the student with technology?
(Scale: Beginner / Average / Confident / Expert)

Beginner

Average

Confident

Expert

8. QUOTES & INSIGHTS

“Calm on the surface, unstoppable underneath.”

Teacher Note: Quiet at first, but shows strong leadership, maturity, and determination once comfortable with people. Makes others feel included and comfortable.

ADDITIONAL NOTES

Fast learner, mature thinker, dependable friend, highly determined, and rarely gives up on a goal once decided.
